- Under an hour fast charger
- High speed cutting
- Comfortable soft grip handle
- Easy snap-on battery
- Soft start & variable speed
- Light weight & well balanced
- Li-ion battery technology
- LED work light
- Blade adaptor

Specifications

Model No.	MT1
Battery Power	10.8V/1.3Ah
Charger Input Voltage	100V-240V
Charger Output Voltage	10.8V DC
Charging Current	1.8A
Charging Time	Less than 1 hour
No-load Oscillation Speed	5000~19000/min
Oscillation Angle	3.2°
Unit Weight	0.88kg(1.9lbs)
